And IBI Global, a legal corporation doing business at 200 Lime Quarry Road in Madison, Alabama 35758 enter into a classroom training agreement whereby:

## PAT CLASS AGREEMENTS AND CONSIDERATIONS:

1. IBI Global, in exchange for tuition fees established by the current IBI Global Fee Schedule, will provide training for the following individual company employees: (Provide list on 2nd page of this form)  
Performance Acceleration Training (PAT) shall at all times be interchangeable with the "Free Enterprise Forum" and known "the class" or "class", an educational product.
2. \_\_\_\_\_ is committing to a multi-year, quarter-by-quarter program for \_\_\_\_\_ employees per quarter \_\_\_\_\_ number of years.
3. IBI will provide a Tuesday morning through Sunday noon series of performance trainings known as the Free Enterprise Forum. IBI will protect space for all named guests covered by this agreement where pre payment in full is accepted and deposited by IBI. IBI reserves the right to decline any corporate enrollment for any reason. Price discounts are limited to multi-class minimum enrollment criteria expressed in the PAT pricing plan for larger employers.
4. Company employees must and agree to attend each and every training module without exception and one of each elective modules as offered by IBI.
5. Company employees agree they will study and complete pre class training prior to arrival at the PAT training retreat week.
6. IBI and the participating corporate sponsor agree IBI Global will not be responsible for hotel room reservations for the guest, payment of hotel room charges, per diem or related charges or for any transportation charges to or from the event.
7. IBI Global agrees it will provide, within the tuition pre payment total, all lesson plans, individual coaching, access to IBI local ongoing support in markets supported by week-to-week PAT training and all lesson materials and meals from Tuesday night through Friday night.
8. IBI PAT graduates will have rights to access IBI ongoing support web services free of charge for ongoing coaching and performance support.
9. The sponsor corporation will evaluate and report performance enhancements to IBI Global who will have no responsibility for such reporting systems.
10. IBI Global's responsibility under terms of this contract is to provide a professional management training environment, to deliver advanced management training modules, and to use its best efforts to upgrade performance beneficial to the sponsor organization. No warranty or agreement related to satisfaction is implied and all sales are final at the time they are made.

No other agreements exist between the parties. In the event of disputes under terms of this limited educational engagement agreement the parties agree to binding arbitration laws of the state of Alabama will be reserved as the exclusive and sole dispute resolution mechanism without substitution wherein each party will pay its own cost thereto without claim upon the other.

This agreement represents the entire agreement between the parties and no modification may be made to this agreement without the expressed written prior consent of the parties, becoming binding upon execution.
